Одобрено: цикловой методической комиссией общеобразовательного и социальногуманитарного цикла, Протокол № 9 от 06.04.2024г.

методическим советом филиала, Протокол № 9 от 14.04.2024 г.

учебно-методическим советом университета, Протокол № 7 от 25.04.2024 г.

1. Паспорт комплекта оценочных материалов

- 1.1. Комплект оценочных материалов (далее КОМ) предназначен для оценки планируемых результатов освоения рабочей программы дисциплины Иностранный язык в профессиональной деятельности.
- 1.2. КОМ включает задания для проведения текущего контроля и промежуточной аттестации.

Общееколичествозаданий и распределениезаданийпо типам и компетенциям:

Код и наименование компетенции	Количество заданий закрытого типа	Количество заданий открытого типа
ОПК - 1		
•••		
ПК - 1		
•••		
Итого	60 +20 (дополнительные)	60

- 1.3. Дополнительные материалы и оборудование для выполнения заданий (при необходимости):
- 1. Англо русский словарь;
- 2. Русско английский словарь;
- 3. Грамматические таблицы;
- 4. Таблица неправильных глаголов.

2. Задания всех типов, позволяющие осуществлять оценку всех компетенций, установленных рабочей программой дисциплины (модуля)_____

Код и наименование компетенции	№ п/п	Заданиес инструкцией	Ключ (ответ, решение, чек-лист и т.д.)
OK 02 OK 04 OK 05 OK 09		Задание закрытого типа с выбором одного или нескольких ответов из предложенных, в том числе из банка заданий Методического центра аккредитации (fmza.ru)	
	1.	Восстановите порядок слов в предложении в PresentSimple: (to go), at 10 o'clock, every day, to bed, I. A. I will go to bed at the ten o'clock every day. B. I went to bed at 10 o'clock every day. C. I go to bed at 10 o'clock every day.	
	2.	Восстановите последовательность слов вопросительного предложения: They went to St. Petersburg in summer. A. Where did they go? B. What went to go? C. Who go did to St. Peterburg?	
	3.	Восстановите порядок слов в предложении в PastContinuous. from 5 till 7, my mum, (to sleep), yesterday? A. Has my mum sleeping from 5 till 7 yesterday? B. Was my mum sleeping from 5 till 7 yesterday? C. Is my mum sleeping from 5 till 7 yesterday?	
	4.	Bосстановите порядок слов вопросительного предложения. She likes cooking. A. Where likes cooking? B. Who likes cooking? C. When does she likes cooking?	
	5.	Восстановите порядок предложений мини текста. 1. The human skull is the collection of 22 bones. 2. It consists of two parts: the cranium, which protects the brain, and facial section.	

	3. The skull is the skeleton of the head.
	4. It houses organs of the special senses, and helps form the anchorage for the jaw.
	A. 4, 2, 1, 3.
	B. 2, 3, 4, 1. C.3, 2, 1, 4.
	Востановите порядок слов вопросительных предложений в PastSimple:
6.	you, yesterday, (toleave), when, hospital? A.When you leaved yesterday hospital? B. When leaved you hospital yesterday?
	C. When did you leave hospital yesterday?
7.	Выберитеглаголвнужнойформе: The new technologies (to reduce) the risk of pregnancy complications development. A. reducer B. reduce C.reduces
8.	Допишитеразделительный вопрос: As a rule, the prescription contains information about doses, time for taking it and way at taking, A. Doesn't it? B. Don't he? C. does it
9.	Задайтеспециальный вопроскподлежащему: The patient suffers from sterility A. What the patient sufferes? B. Who suffers rom sterility? C. Who suffer from sterility?
10.	Вставьтемодальныйглагол: Paramedic able to perform treatment interventions

		A. should be B. must C. may Восстановитепорядоксловвпредложении: of appointments, monitor, Nurse, the implementation, should	
1	11.	A. Appointments nurse should monitor the implementation B. Monitor nurse should the implementation of appointments C. Nurse should monitor the implementation of appointments	
1:	12.	Восстановитепорядокслов : Pathology, the, specimen, department, biopsy, is, to, a, sent, hospital A.A biopsy specimen is sent to the hospital Pathology Department. B. Pathology is a department hospital where specimen biopsy. C.Pathology Department is a biopsy to the hospital.	
1:	13.	Поставьте глагол в нужной форме: He ill for 3 days, so his mother wanted to bring him a doctor, but he did not want to go. A. had felt B. felt C. was feeling	
14	14.	Выберитенужнуюформуглагола: Mrs. Drives (to provide) care to childbearing women during pregnancy. A. provides B. provide C. to provides	
1:	15.	Вставьтенужныйтмодальныйглагола: Ihadlike skate. A. to can B. to be able to C. could	
10	16.	Выберитеправильныйвариантответа: Botkin was a brilliant doctor. A.Russian B.English	

		C.American

5.	Прочитайте текст, переведите и ответьте на вопрос: Why do people start smoking? Smoking is a hard habit to break because tobacco contains nicotine, which is highly addictive. Like other addictive drugs, the body and mind quickly become so used to the nicotine in cigarettes. People start smoking for a variety of different reasons. Some think it looks cool. Others start because their family members or friend's smoke. Statistics show that about 9 out of 10 tobacco users start before they're 18 years old. Most adults who started smoking in their teens never expected to become addicted. That's why people say it's just so much easier to not start smoking at all.
6.	Переведитенарусскийязык: The lungs are the main organs of the respiratory system. There are two lungs in the human body located in the lateral cavities of the chest. The lungs are separated from each other by the mediastinum. The lungs are covered with the pleura. They are conical in shape. Each lung has the base, apex, two borders and three surfaces.
7.	Пререведите текст. Дополните его подходящими по смыслу предложениями, предложенными ниже, выстроив их в правильной логической последовательности: 1.I fainted once after I saw my blood in a small bottle. 2.I know giving blood is really important, but I'm not brave enough. 3. Looking at it makes me go all weak at the knees. I hate the sight of blood.

8.	Переведитетекст. I can't even look at my own blood. I don't know why. The thing I hate most is giving blood for a medical check If I have a nose bleed, I have to sit down for 30 minutes before I feel better. It's impossible for me to watch operations on TV. I wish I could donate blood to others. I can't.	
9.	Переведите текст и дайте ответы на вопросы: WhatwasFlorence'sdream? Why was Florence called "The Lady with the Lamp"? Florence Nightingale was one of the greatest women in the history of England. During her childhood and youth she was chiefly interested in taking care of poor people in hospitals; her dream was to become a nurse. Florence Nightingale often worked for twenty-four hours on end dressing wounds, helping surgeons in their operations, easing the pain of the sick, comforting the dying. Every night, carrying a little oil lamp to light her way, she walked by the beds, four miles of them. To the soldiers she was "The Lady with the Lamp", and they worshipped her. Florence Nightingale changed the whole system of the hospital organization of the army. She wrote books on nursing.	
10.	Переведитенарусский: The heart is an inner muscular organ placed within the chest. The heart consists of two atria and two ventricles. The vascular system consists of three groups of vessels - arteries, veins and capillaries.	
11.	Переведитенарусский иответьтенавопрос: What is the best way to stop bleeding? Strong bleeding can cause death in minutes. Bleeding from small wounds usually stops after a short time due to the blood clots. But clotting cannot stop the flow of blood when a wound is big. The best way to stop bleeding is to press on the wound itself. If possible let the person lie down and raise the bleeding part of the body. Then put a sterile handkerchief, cloth or towel on the wound
